24th March 2020

Dear Friend in Christ,

I hope this letter finds you and your family safe and well.

As a member of an electoral roll of one of the churches of our parish I am writing to assure you that you are very much in my thoughts and prayers during these unusual and difficult times and to convey to you what measures have initially been put in place by the churches of our parish during this coronavirus pandemic.

Being a part of the Church of England is going to look very different in the days ahead especially as our churches have been officially closed by the Government. Our witness to Christ for the foreseeable future will have to be one characterised by the prayer and service we offer each day rather than meeting for corporate worship. To this end members of the ministry team will also be offering prayer in our own homes at 12noon every day. If you wish to join us in Spirit at that time the office of Prayer during the Day can be found at www.churchofengland.org/prayer-and-worship/join-us-service-daily-prayer and special prayers for the coronavirus pandemic can be found at www.churchofengland.org/more/media-centre/coronavirus-covid-19-liturgy-and-prayer-resources

If you would like to be kept up to date by email or receive a reassuring telephone call from a member of our ministry team, then please complete the form below and return to myself or alternatively email me giving us permission to contact you via email and telephone. We have set up a Parish Blog at <https://southchilternsteamministry.wordpress.com>. It can also be accessed via our individual church websites, this will be one of our main ways of communicating with you and on which will be posted news, reflections, support for prayer and worship and links to various to other on-line church resources.

Please keep in touch and contact me if you need practical care and support or can offer such. Finally, please pray for our Government and nation, for each other, and especially for those who work in our health and emergency services.

With every blessing,

Team Rector
